Examination Evaluation mechanism of the institution

The institute conducts several and continuous evaluations. Different information dissemination techniques, such as the college calendar, have implicitly reflected this. Each student and member of the faculty receives a copy of the Calendar at the beginning of the year. The examination coordinator is in charge of the Internal Tests and the University examination logistics. Students are constantly evaluated using the following methods:

Methods	Evaluation Details
Assessment through Internal Tests	Internal tests are used to evaluate students in accordance with the University's regulations and norms. The co-ordinator will work with the Principal to plan the internal assessment test schedule for the coming academic year. Dates of internal tests, evaluations and information to check for malpractice are included in the schedule. The timetable is shared amongst the instructors and posted on the notice board and whatsapp group for students to see, as well as announced in the classrooms themselves.
Assessment through University Examination	Rules, regulations, and recommendations given from time to time by the affiliating university dictate how University examinations are performed. For the benefit of enrolled students, university announcements are posted on the notice board. In the orientation session, students learn about the exam schedule, restrictions, and evaluation process.
Assessment Through Assignments	Faculty in charge of each subject will plan and announce the topics and dates for students to write assignments at the end of each chapter, which will be graded. The basis for evaluation is the quality and timeliness of the assignments that are turned in by students.

Assessment through Attendance	Even though the University requires at least a 75 percent attendance rate in order to sit for exams, the college encourages students to show up as much as possible by awarding internal marks as incentives.
Evaluation through Classroom Discipline	Students are encouraged to compete for the best outgoing student award in order to maintain discipline in the classroom. At the college annual day celebration, these awards are given out.
Evaluation Through Participation in Co-Curricular activities	As part of the evaluation process, the College encourages students to participate in all co-curricular activities within and outside of the College. It is possible for students to score CBCS pattern grades.
Evaluation through Subject Based Viva-Voce	Subject-based viva-voce examinations are used to evaluate students in all of the college's programmes. The performance in the viva-voce is assigned a certain number of internal marks.
Evaluation Through Report Writing	Fieldwork is a significant part of the curriculum in some programmes, such as Geography, Chemistry and Banking, and students are given a large portion of their grade based on the quality of their work in the field. Fieldwork reports are sent to the faculty supervisors every week to keep them updated on what is going on in the field. The quality of these reports has a significant impact on each student's internal marks.
Evaluation through Effective Presentation	A seminar presentation is a major part of the curriculum in most courses, and students are expected to provide an effective presentation. For the purpose of awarding grades for presentations, students receive guidance on subjects for seminars they will prepare and deliver in open class. These seminars are graded on their worth.
Evaluation through Inter-Personal Relations and Good Habits:	Students are evaluated on interpersonal interactions and good habits in order to identify and reward the best outgoing student in all classes. Students and delegates from other colleges are chosen based on their interpersonalities and practices.

विज्ञान, आत्मज्ञान व साहित्य या जगाच्या जीवनाला आकार देणाऱ्या तीन शक्ती आहेत. विज्ञान ही जगाच्या जीवनाला रूप देते तर आत्मज्ञान जीवन-परिवर्तन करते आणि साहित्य संपूर्ण जगाचे परिवर्तन घडवून आणते. साहित्य ही संयोजक शक्ती आहे. तिचे कार्य आतल्या आणि बाहेरच्या जगाला जोडणाऱ्या कडीसारखे असते. ते विज्ञान आणि आत्मज्ञान यांचा संयोग करते. क्रांतदर्शी विचारवंतांच्या साहित्याच्या प्रेरणेनेच जगात मोठ-मोठ्या शक्ती झाल्या आहेत. साहित्य म्हणजे सरस्वतीची साक्षात वाणीच. ही पवित्र वाणी लोकांच्या अंतःकरणातील पाप धुवून त्याला निर्मळ करित असते. जगाचे पोषण करण्याचे व जीवनाला सतत सोबत करण्याचे सामर्थ्य एकट्या साहित्यातच आहे.

या दृष्टीने साहित्यिकांवर फार मोठी जबाबदारी असते. साहित्यिकांनी सदैव आपल्या सदसद्विवेक बुद्धी सल्ल्याने साहित्य निर्माण करावे. त्यांनी आपली बुद्धी व वाणी विकली तर जगाचे जीवन धोक्यात येईल. साहित्य जगाचा आधार, पोषक, प्रेरक, मार्गदर्शक, प्रकाश, खरा मित्र व हितचिंतक आहे. ते क्रांतीची स्वप्ने रंगविणारे व समाजाचे मतीन मन स्वच्छ सुंदर करणारे एक सहाय साधन आहे.

साहित्य आणि मानवी मन यांचा अन्योन्य संबंध आहे. याचे कारण म्हणजे मानवी जीवनातून साहित्या निर्मिती होते व श्रेष्ठ अशा साहित्यामुळे मानवी जीवनाचा परिपोष घडून येतो. मानवी जीवनाच्या हजारो वर्षांच्या इतिहासाचे अवलोकन केले तर साहित्याचे हे अदम्य सामर्थ्य प्रगट होते.

जीवनाचे दर्शन घडविणे हेच साहित्याचे कार्य आहे. त्याचप्रमाणे मनुष्यापुढे उदात्त ध्येयदृष्टीने रम्य जीवन करणे हेही साहित्याचे कार्य आहे. भारतीय संतांनी सद्विचारप्रेरक साहित्य निर्माण करून उदात्त ध्येयदृष्टीने आदर्श जीवन उभे केले आहे.

साहित्याच्या ठिकाणी समाजजीवन घडवण्याचे सामर्थ्य आहे. कोणत्याही समाजात घडून येणारी उत्क्रांति साहित्याच्या प्रभावामुळे घडत असते. साहित्याचे सामर्थ्य म्हणजे शब्दाचे सामर्थ्य. बदलत्या समाज जीवनाचे चित्र साहित्यात उमटले की, साहित्यात नवीनता येते व नव्या साहित्यातून प्रेरणा घेऊन पुढे समाजही नवा होतो. असे साहित्य ही एक प्रचंड शक्ती आहे. समाजाला बरी-वाईट दिशा देण्याचे सामर्थ्य या साहित्यात आहे.

किंवा

खाली दिलेल्या इंग्रजी भाषेतील उताऱ्याचे मराठी भाषांतर करा :

The joint family system is indeed, indispensable because it is natural and inevitable . For supporting that a family is partitioned , this is only a temporary break-up of the family unit because each son that separates from unit because in course time a unit by himself, marrying, bringing up his children thus beginning another joint family which is an inevitable factor of every social life. It is difficult to imagine peaceful and ordered social life in the absence of the system of the joint family.
