

DVV Query

1.3.2 Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year)

- 1. Provide Internship completion certificate / project work completion certificate of any 40 students from the organization where internship / project was completed along with the duration.**
- 2. Provide Report of the field visit / sample photographs of the field visit / permission letter from the competent authority.**

DVV Clarifications

Item 1.3.2.1 of DVV responses:

Scan copies of project work completion certificate of above listed students

Scan copies of the field visit report, sample photographs and permission letter from the competent authority

1.3.2 DVV Clarification

This is regarding the clarification of the Internship completion certificate / project work completion certificate of any 40 students from the organization where internship / project was completed.

In response to DVV clarification sought by NAAC regarding project work completion certificate, I wish to state that the projects have been conducted at the parent institute itself in accordance with the guidelines of the affiliating university. Hence the said certificates have been certified by the Principal, Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon Rly.

Attached herewith project completion certificate of 40 students (2017-2022).

Dr. Y.B. Gandole

Subject: Seeking Permission to Visit your esteemed Biomedical Instrumentation Laboratory

Respected Sir,

The Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon Rly, supporting the cause of value based education, offering education ranging from under graduate program to Doctoral degrees, seeks the permission for our M.Sc. I Electronics students to visit your Biomedical Instrumentation laboratory.

As part of the curriculum of M.Sc. I student, Biomedical instrumentation laboratory visit is mandatory, so as to provide with them the real insight of working procedure of Biomedical instruments and to fulfill the curriculum demand, we request you the Biomedical instruments and to fulfill the curriculum demand, we request you the Biomedical laboratory visit. Kindly accord permission to visit your esteemed Biomedical instrumentation laboratory for a team of 11 (2 faculty + 9 students) on 7th October 2017.

Your co-ordination in this regard will not only help the cause of education but it will also strengthen the youth of the nation.

Thanking You.

Yours Faithfully

Report

Institute –Institute Interaction Activity.

Academic Visit

Post Graduate students of **Department of Electronics Adarsha Mahavidyalaya, Dhamangaon (Rly.)** visited to the **PG Department of Electronics, Brijlal Biyani Science College, Amravati** on Saturday 7th October 2017 with Faculty Member Ms. Bobade, Ms. Nevare. This activity is conducted under Institute–Institute interaction activity.

Academic visit of AdarshMahavidyalaya, Dhamangaon (Rly) P.G Electronic students

All the students were performed practical of Biomedical Instrumentation on ECG machine, Ventilator, X-ray machine, Multipara monitor, Digital B.P Apparatus, Coutary Machine, etc. Faculty member of our department had given some theoretical information about biomedical course '**Post Graduate Diploma in Biomedical Electronics**' (PGDBME) with eligibility criteria and opportunities in the medical field. They also gave demonstration of all the instruments of Biomedical Electronics with real time patient monitoring. All the students were actively performed the practicals.

Department of Economics
Report on: APMC Field Visit
Agriculture process market Committee, Dhamangaon Rly, District Amravati
Date of Visit: 01.12.2017

Dept. of Economics, Adarsha Mahavidyalaya, Dhamangaon Rly has visited our APMC (Agriculture process market Committee, Dhamangaon Rly, District Amravati) on 1.12.2017 at 11.00 am. 33 students along with Dr. Deepak Shrugare, Professor & Head, Dept. of Economics, Mr. Nilesh Mohakar and Miss. Shital Chaware as teaching staff visited APMC, Dhamangaon Rly.

Mr. Shrikant Gawande, President of APMC, Dhamangaon Rly steered to present students about exact functioning of the market and interaction followed by financial activities between business personals, farmers and management authority of APMC. He also highlighted that local farmers are the main centre point of the market and all the facilities provided by the government are for the farmers to insure smooth deals on daily basis.

These students keenly observed and understood the goods procurement and selling process. All the students were asked to fully understand the working of buying and selling process, auction method, receipt process, goods payments, sample and depreciation etc. at APMC. Due to this, the students debated the importance of the marketing process in relation to agriculture products and suggested solutions. The visit will enhance the knowledge of the students in the agriculture marketing process.

Visit Report of Industrial and Research Institute

Visit to: Mumbai and Goa (NIO)

Date: 09th to 14th February, 2018

Year: 2017-18

Department of Microbiology has organized arranged six days Industrial and research institute visit of PG students from 09th to 14th February 2018 as a part of curriculum of Sant Gadge Baba Amravati University, Amaravati. Total 31 students (03 boys and 28 girls) were present in the tour. This tour was coordinated by Mr. Manoj Khadse and Mis. Shweta Dudhe. Tour was departed from 09/02/2018 at 7.00 pm from Dhamangaon Rly. to Goa and reached to Goa at 10/02/2018 at 10 pm. On 11th February students were visited at different points (Goa sight, Dolphin point, Kalinga beach) at Goa and visited to National Institute of Oceanography at 10.00 am on 12th February 2018. They depart from Goa on 12th February at 4.00pm for CSTM Mumbai and reach to there on 13th February 2018 at 6.00 am. At Mumbai students were visited to some points and depart for Dhamangaon Rly. on 13th February at 7.00 pm and reach to Dhamangaon to 14th February 2018.

REPORT OF FIELD / INSTITUTIONAL / INDUSTRIAL VISIT

2017-18

Visit To- **Bembla Dam, Natural Sugar Industry, Gunj and Mahur**

Date of Visit- 8th March, 2018.

As per the syllabus prescribed by Sant Gadge Baba Amravati University, Amravati, College has to organize a compulsory Field/ Institutional/ Industrial Visit as a part of internal assessment in view of which, in the academic year 2017-18, one day field /industrial visit was organized at **Bembla Dam, Natural Sugar Industry, Gunj and Mahur** on **8th of March, 2018**. A prior telephonic permission was taken from **Natural Sugar Industry, Gunj, Yavatmal.**

On the day of visit, a journey was started at 6.00 a.m. from Dhamangaon railway and first visited Bembla dam located at Babhulgaon in Yavatmal district of Maharashtra. Dr. Pravin Joshi, a well-known ornithologist from Vidarbha joined us at Bembla to guide students about bird watching. He explained the students with different methods of bird watching, how to identify birds and different floral and faunal diversity at site.

Then after breakfast we departed for Natural Sugar Industry, Gunj. The manager acknowledged the students with the functioning of Sugar Industry, like sugar making, ethanol preparation, post processing operations etc. **Dr. V. A. Kamble Professor and Head, department of Microbiology** proposed vote of thanks to the manager and office bearers of sugar industry after that we departed for Mahur and reached there at 5.00 p.m. By visiting Goddess Renuka Temple at Mahur, we departed for Dhamangaon Rly. and reached at 10.00 p.m.

Total 13 teaching and non-teaching staff along with 116 students (20 boys and 96 girls) were involved in the visit.

To,

The Manager

Natural Sugar Industry, Gunj,

Sawna, Dist. Yavatmal

Subject: Request for permission to visit

Respected sir,

Adarsha Mahavidyalaya is an educational institute providing a graduation course in the subject Microbiology. Chemistry, Zoology and Botany. As a part of curriculum, we are willing to visit **Natural Sugar Industry, Gunj**, with an object of giving the graduation students an insight of the work & basic processing at your industry.

In connection with this, we would like to request your office to allow us to visit and have a briefing regarding the operations, processes and facilities of industry. We would like the students to be able to gain better understanding about different scientific processing at sugar industry.

The group of approximately 120 students along with staff would like to visit your institute on Thursday, 8th March 2018 around 11,00 a. m.

Thanks, in anticipation

REPORT OF FIELD / INSTITUTIONAL / INDUSTRIAL VISIT

2018-19

Visit To- Bor Wildlife Sanctuary and National Environmental Engineering
Research Institute (NEERI), Nagpur

Date of Visit- 12th February, 2019.

According to the syllabus prescribed by Sant Gadge Baba Amravati University, Amravati, College has to organize a compulsory Field/ Institutional/ Industrial Visit as a part of internal assessment in view of which, in the academic year 2018-19 a visit was organized at **Bor Wildlife sanctuary and National Environmental Engineering Research Institute (NEERI), Nagpur** on 12th of February, 2019. A prior permission was taken from NEERI as per the communication letter dated on dated 05.02.2019.

On the day of visit, a journey was started at 6.00 a.m. from Dhamangaon railway and first visited Bor wildlife sanctuary situated in Wardha district of Maharashtra. The students at Bor studied about the aquatic and terrestrial ecosystem, floral diversity like dominant species of *Zizipus zuzupa* and *Butea monosperma* along with faunal diversity like birds, deer, sambar and local fishes.

Then after breakfast we left for NEERI and reached at 12.00 p.m. there we were assisted by an official instructor deputed by the NEERI for the visit to different departments of the NEERI campus. At NEERI students visited **Herit Sangrahalaya, Health and Toxicity Cell, Solid and Hazardous Waste Management Division, Waste Water Technology Division, Air Pollution Control Division and Environmental Biotechnology and Genomics Division (EBGD) of Dr. Lal Singh**. Students interacted at each division and learned about various processes and research going on and also inquire about career opportunities after completion of graduation in microbiology, chemistry, zoology and botany. **Dr. V. A. Kamble Professor, department of Microbiology** proposed vote of thanks to the office bearers of NEERI and we departed for Dhamangaon railway and reached at 10.00 p.m.

Total 13 teaching and non-teaching staff along with 132 students (18 boys and 114 girls) were involved in the visit.

Sub: Visit to CSIR-NEERI

Dear Sir,

This has reference to your e-mail dtd. 05.02.2019 regarding the visit of 150 B.Sc. (Botany/Chemistry/Microbiology) students to CSIR-NEERI. The students may visit CSIR-NEERI on 12th February, 2019 between 11.00 am to 1.30 pm.

Programme

11.00 am	CSIR-NEERI audio-visual
11.20 am	Visit to Harit Sangrahalaya
11.35 am	Visit to Health & Toxicity Cell (HTC)
11.50 am	Visit to Solid and Hazardous Waste Management Division (SHWMD)
12.05 pm	Visit to Water Technology and Management Division (WTMD)
12.20 pm	Visit to Waste Water Technology Division (WSTD)
12.35 pm	Visit to Air Pollution Control Division (APCD)
12.50 pm	Visit to Environmental Biotechnology and Genomics Division (EBGD)

(Dr. Lal Singh / Dr. P.R. Thawale)

To,

Director,

National Environmental Engineering Research Institute,
Nagpur

Subject: Request for permission to visit NEERI

Sir,

Adarsha Mahavidyalaya is providing a graduation course in the subject Microbiology, Chemistry, Zoology and Botany since last 40 years. As a part of curriculum, we are willing to visit NEERI with an object of giving the graduation students an insight of the work & research being conducted.

In connection with this, we would like to request your good office to allow us to conduct a visit and have a briefing regarding the operations, processes and facilities of institute. We would like the students to be able to gain better understanding the research done in the life sciences, chemical sciences and allied technology.

If permitted, the group of approximately 150 students along with instructor would like to visit your institute on February 12, 2019 from 12pm to 2pm. We hope that this request will merit your most favorite response.

Thank you very much.

Principal

To,

The Principal / Head Dept. of Electronics

Brijlal Biyani Science College

Amravati

Respected Sir,

Subject: Seeking Permission to Visit your esteemed Biomedical instrumentation Laboratory.

The Adarsha Science J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon Rly, supporting the cause of value based education, offering education ranging from Under graduate program to Doctoral Degrees, Seeks permission for their M.Sc.-II Electronics students to Visit your Biomedical instrumentation Laboratory.

As part of the curriculum of M.Sc.-II student, Biomedical instrumentation Laboratory visit is mandatory, so as to provide with them the real insight of working procedure of Biomedical instruments and to fulfill the curriculum demand, we request you the Biomedical Laboratory visit. Kindly accord permission to Visit your esteemed Biomedical instrumentation Laboratory for a team of 17 (2 Faculty + 15 Students) on **6th Oct.-2018**.

Your co-ordination in this regard will not only help the cause of education but will also strengthen the youth of the nation.

Thanking you.

Yours faithfully,

Institute – Institute Interaction Activity

Post Graduate students of **Department of Electronics Adarsha Mahavidyalaya, Dhamangaon (Rly.)** visited to the **PG Department of Electronics, Brijlal Biyani Science College, Amravati** on Saturday 8th October 2018 with Faculty Members Ms. Deepali Gulhane, Ms. Ankita Bagade, Mr. Hemant Indurkar. This activity is conducted under Institute – Institute interaction activity.

Academic visit of M.Sc. (Electronics) students of Adarsha Mahavidyalaya, Dhamangaon (Rly) P.G Electronic students

All the students were performed practical of Biomedical Instrumentation on ECG machine, Ventilator, X-ray machine, Multiparamonitor, Digital B.P Apparatus, coutary Machine, etc. Faculty member of our department had given some theorotical information about biomedical course '**Post Graduate Diploma in Biomedical Electronics**' (PGDBME) with eligibility criteria and opportunities in the medical field. They also gave demonstration of all the instruments of Biomedical Electronics with real time patient monitoring. All The student were actively performed the practicals.

To,

The Director/ Officer incharge

Omega Electronics, Jaipur

(Rajathan)

Subject: Science Excursion Tour.

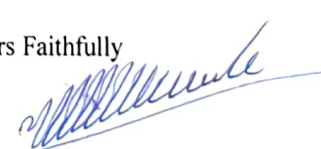

Sir,

With reference to the subject cited above I would like to convey you that a group comprising students and teachers of this academic institution (34 students + 05 staff members= Total 39) are keen to visit a few reputed National Laboratories & some of the academically acclaimed Institutions & few famous adjoining places located at **Jaipur**. The said educational Tour bears immense importance since it constitutes an integral part of the curriculum. We have to update the knowledge of undergraduate students of Science Departments (Electronics, Physics, and Computer Science). With these intensions it has been decided to visit the your well reputed company Omega Electronics on 04January 2019

In the view of this programme, I humbly request you to kindly arrange group visit for students and the staff members.

Thanking You.

Yours Faithfully

(Dr. Y. B. Gandole)

Industrial Tour at Omega Electronics Jaipur

Report

Department has organized Industrial visit at Omega Electronics, Jaipur on 4th January 2019. During this visit students grabbed the knowledge regarding manufacturing of various electronics projects, tutorial boards and fabrication of transformers. Expert persons from different areas delivered information regarding all the instruments. They have also explained different manufacturing and assembling of different Electronics Instruments. Students were really interested during the visit and ask queries regarding different instruments. Students also ask different job opportunities in the Omega Electronics and related industries. Faculty members Mr. S. A. Rodge, Ms. N. O. Mundada, and Mr. H. T. Indurkar along with 17 students of B.Sc. were remained present for this visit.

Students during Industrial Visit

All the faculty members and students were really fulfilled with the lot of knowledge and good memories. Ms. Chitralekha Kolhe delivered the vote of thanks.

Sir,

This is to inform you that we were pleased to play host to faculty members and students of your institution, under the guidance of Prof Suryakant Rodge, Dr V M Tripattiwar, Dr S N Bayaskar, Mr. Hemant Indurkar and Mr G B Kumare, who visited our department as part of their Science Excursion Tour on January 17, 2019. They spent time visiting our production studios, where our faculty members explained to them about cameras, production, sound, 3D techniques and other finer aspects of audio and video. I am delighted to state that students were interactive and we demonstrated how production is carried out. On behalf of the department, I wish the team of faculty members and the students pursuing Electronics and Mathematics of your institution the best in all their future endeavours.

Thanking you

Yours sincerely

Industrial Visit

To update the knowledge of students and they have a scope to explore their ideas. Every year Dept of Electronics organizes the industrial visit to different cities in India and visits the different industries, academically acclaimed laboratories and institutions. This industrial tour also covers the historical as well as some religious places also. Through this industrial visit students learn the different aspects of Electronics, science as well as social aspects. This year Industrial visit had been planned in the month of January 14/01/2019-18/01/2019) at Madras and Pondicherry University in Madras Students visited the Science City, Birla Planetarium and in Pondicherry visited the mass communication multimedia laboratory where students gain the knowledge about how to make a documentary film and how to insert the sound in the film.

The industrial visit is very important to any student undergoing graduation such as B.Sc. as well as M. Sc. so that they will know the real working of the machines, equipment, operational methodology and everything else.

DEPARTMENT OF BOTANY, CHEMISTRY, MICROBIOLOGY AND ZOOLOGY

REPORT OF FIELD / INSTITUTIONAL / INDUSTRIAL VISIT

2019-20

**Visit To- Water Purification Plant, Amravati, Melghat Tiger Reserve,
Forest Garden and Museum, Chikhaldara.**

Date of Visit- 22th February, 2020.

According to the syllabus prescribed by Sant Gadge Baba Amravati University, Amravati, College has to organize a compulsory Field / Institutional / Industrial Visit as a part of internal assessment in view of which, in the academic year 2019-20 a visit was organized at **Water Treatment Plant, Amravati, Melghat Tiger Reserve and Forest Garden and Museum Chikhaldara. on 22th of February, 2020.** A prior permission was taken from **Treatment Plant, Amravati** as per the communication letter dated on dated **20.02.2020**

On the day of visit, a journey was started at 6.30 a.m. from Dhamangaon railway and first visited Water purification plant Amravati. We were assisted by an official instructor deputed by administrative office for the visit to various divisions of the plant like pretreatment plant, posttreatment plant demineralized water plant and effluent treatment plant. The instructor explained in detail the functioning and maintenance of these plants. Before the departure from Water treatment plant at 10.00 a.m. **Dr. S. O. Qureshi Professor and Head, Department of Zoology** expressed vote of thanks towards the instructor and office bearers of the Water purification Plant, Amravati.

Then after breakfast we departed for Chikhaldara and reached at 01.00 p.m. In Chikhaldara, a hill station in Amravati district we visited the forest garden, Bhim Kund, Gawilgad fort and then Museum. Students learned a lot about ecology, floral and faunal diversity. After taking site seeing around the Chikhaldara, we departed for Dhamangaon Rly and reached around 10.30 p.m.

Total 12 teaching and non-teaching staff along with 109 students (12 boys and 97 girls) were involved in the visit.

Subject: B.Sc. Educational Tour

Dear Sir,

A batch of 90 Students of B.Sc. program along with Teaching and non-teaching staff of Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon Railway, Dist. Amravati would like to visit water purification plant as a part of their curriculum, on Saturday, 22nd February 2020. Through this visit students of Zoology, Botany, Chemistry & Microbiology will be benefited to a great extent.

You are kindly requested to permit the teachers and students to visit water purification plant. The college shall be obliged if some official deputed to tell the visiting students about the working of purification plant.

Thanking you.

Visit Report of Industrial and Research Institute

Visit to: Hyderabad (CCMB & NIN)

Date: 02nd to 06th February 2020

Year: 2019-20

Department of Microbiology has organized five days Industrial and research institute visit of PG students from 02nd to 06th February 2020 as a part of curriculum of Sant Gadge Baba Amravati University, Amaravati. Total 42 students (11 boys and 31 girls) were present in the tour. Along with this, 03 teachers and 01 laboratory attendants were also present. Tour was departed from 02/02/2020 at 11.00 pm from Dhamangaon Rly. and reached to Secunderabad on 03/02/2018 at 07.30 pm. On 03rd February, students were visited to Ramoji Film City and local market. On 04th February, students were visited to Birla temple, National Institute of Nutrition and Nehru Zoological Park. Similarly, students were visited to Golconda fort, Charminar and Makkah Masjid and Centre for Cellular and Molecular Biology. They depart from Secunderabad on 05th February at 12.00 am for Wardha and reach to there on 06th February at 10.00 am. And from Wardha, students were reached to Dhamangaon Rly. on 06th February 2020 at 11.00 am.

PG Excursion tour for Industrial and Research Institute visit to Hyderabad

PROGRAM OF VISIT

Visiting Places / Research Institutes:

- National Institute of Nutrition, Tarnaka, Hyderabad.
- Centre for Cellular and Molecular Biology, Tarnaka, Hyderabad.
- Hyderabad sight seen.

Duration : 5 days

Date : 02 to 06 Feb 2020

No. Of Students: 42 (Boys = 11 + Girls = 31) List of students attached here with

No. Of Accompanying Teachers: 03

Laboratory Attendant: 01

Names of Teachers:

1. Dr. V. A. Kamble
2. Miss Shalaka Fadanvis
3. Miss Megha Bhoge

Nonteaching staff:

1. Mr. Suraj Yadav (Laboratory attendant)

Dear Sir,

This has reference to your telephonic conversation on 04/12/2019 regarding the visit of your group to this Institute. We thank you for the interest shown in our Institute's activities.

1. Your group is welcome to visit our institute on 04-02-2020 at 10 AM. We will be screening a short film on NIN for the visitors and also arranging a face-to-face interaction with a senior scientist to facilitate comprehensive understanding of the subject. They may also visit our museum which houses informative charts/ posters on nutritional themes.
2. Visitors are requested to make their own arrangements for lunch/ snacks as the institute's canteen is not kept open all through the day.
3. It may be noted that the visit to institute's departments would not be entertained.

For further details Contact

Mr. Narottam Pradhan (Technical Officer) m- 9848569440

Please tell the student bring their lunch box at the time of visit to Institute

Thanking you

Dr. Mekam Maheshwar

Study Tour at Raman Science Centre and Central National Museum Nagpur

Department of Electronics always arranges different interaction programs such as Industry visit, Academic visit every year to introduce students with new technologies. Students of B.Sc. II year have been visited to Raman Science Centre and Central National Museum Nagpur on 7th March, 2020. Total 35 students were present in this visit. In this, they were visited to 3D Theatre, Planetarium, Science Centre and Science on Sphere at Raman Science Centre. They were also visited to Brass-Bronze objects, Stone creatures, old paintings, clay vessels, etc. at Central National Museum. All the students were very happy and gave their thanks to the department for the organization of Study tour.

DEPARTMENT OF BOTANY, CHEMISTRY, MICROBIOLOGY AND ZOOLOGY
REPORT OF FIELD / INSTITUTIONAL / INDUSTRIAL VISIT

2021-22

Visit To- Bor Wildlife Sanctuary and Mahatma Gandhi Institute for Rural
Industrialization (MGIRI), Wardha

Date of Visit- 21st March, 2022.

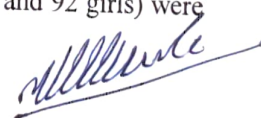

As per the syllabus prescribed by Sant Gadge Baba Amravati University, Amravati, College has to organize a compulsory Field / Institutional / Industrial Visit as a part of internal assessment in view of which, in the academic year 2021-22 a visit was organized at **Bor Wildlife Sanctuary and Mahatma Gandhi Institute for Rural Industrialization (MGIRI), Wardha** on **21th of March, 2022**. A prior permission was taken from MGIRI as per the communication letter dated on dated **12.03.2022**.

On the day of visit, a journey was started at 6.00 a.m. from Dhamangaon railway and first visited Bor wildlife sanctuary situated in Wardha district of Maharashtra. The students at Bor studied about the aquatic and terrestrial ecosystem, floral diversity like dominant species of *Zizipus zuzupa* and *Butea monosperma* along with faunal diversity like birds, deer, sambar and local fishes.

Then after breakfast we leaved for MGIRI and reached at 1.00 p.m. there we were assisted by an official instructor deputed by the MGIRI for the visit to different departments. At MGIRI students visited **Bio-Processing and Herbal division, Khadi and Textile division, Chemical Industry division, Rural Craft and Engineering division** Students interacted at each division and learned about various processes going on and also inquire about carrier opportunities after completion of graduation in microbiology, chemistry, zoology and botany. At the end of visit a seminar for students was conducted on the various MSME schemes available for startup. At the end **Dr. S. O. . Professor and Head department of Zoology** proposed vote of thanks to the office bearers of MGIRI and we departed for Dhamangaon railway and reached at 10.00 p.m.

Total 14 teaching and non-teaching staff along with 100 students (08 boys and 92 girls) were involved in the visit.

Subject:- Permission for graduate students visit to MGIRI

Respected sir,

This is to request you to be so kind as to grant permission and approval to visit students (around 100) and faculty members (around 10) of Microbiology, Chemistry, Zoology and Botany from Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon railway, Dist. Amravati for field visit purpose to your esteemed institution on 21st March 2022. This visit will definitely benefit the students from rural area like Dhamangaon railway to look ahead as a career opportunity.

The college shall be obliged if some official is deputed by you to have a tour of your institution and its functioning.

Thank you...

Yours Faithfully...

Industrial Visit Report of Commerce Department (Academic year 2021-22)

Students of the Department of Commerce were visited for purpose of understanding Production Process and Marketing Strategy, Importance of Business Ethics on Tuesday 26th April 2022 at Nutan Cottage Industries (Devgaon), Wardha Agro Processing Pvt. Ltd., (Devgaon) Mahatma Gandhi Institute for Rural Industrialisation (Wardha), Centre for villages science (Wardha) and Bapukuti (Sevagram). The visit to Nutan Cottage Industries, (Devgaon) and Wardha Agro Processing Pvt. Ltd., (Devgaon) provided invaluable guidance on manufacturing processes and marketing. Mahatma Gandhi Industrial Rural Institute (MGIRI) provided invaluable guidance on various training are imparted in the institute to promote entrepreneurship among the students and they are informed about the various facilities available to them. The Centre for villages science (CSV) provided information on employment opportunities in rural areas mainly on Bee Keeping, Wastepaper Management, Vermicompost, Dung Gas, and Ayurvedic Plants. In Bapu Kuti Sevagram, the proper guidance on Bapu's life and by observing the display of objects displaying Bapu's memory, the students understood Bapu's lifestyle. During the visit, the head of the concerned organization and the staff gave important guidance to the students of the area inculcating entrepreneurship and business ethics. On behalf of our institution and the Department of Commerce Prof. Nitin Singhavi express thanks to them.

Manager,

Nutan Kutir Udyog,

Dahegaon Rly, Wardha.

Subject:- Permission for industrial visit to Nutan Kutir Udyog.

Respected sir,

This is to request you to be so kind as to grant permission and approval to visit students (around 50) and faculty members (around 10) of Department of Commerce from Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya, Dhamangaon railway, Dist. Amravati for industrial visit purpose to your esteemed institution on 28rd April 2022. This visit will benefit the students from rural area like Dhamangaon railway to look ahead as a career opportunity.

The college shall be obliged if some official is deputed by you to have a tour of your institution and its functioning.

Thank you...

For

Yours Faithfully

(Dr.Y.B.Gandole)
